**THE STUDENTS' UNION, THE  
UNIVERSITY OF ALBERTA**

Year ended April 30, 2011

## **STATEMENT OF ADMINISTRATIVE RESPONSIBILITY FOR FINANCIAL REPORTING**

The administration of the Students' Union, the University of Alberta (the "Students' Union") is responsible for the preparation and for the integrity and objectivity of the accompanying financial statements and the notes thereto. The administration believes that the financial statements present fairly the Students' Union's financial position as at April 30, 2011 and the results of its operations for the year then ended.

The financial statements have been prepared in accordance with generally accepted accounting principles. Where alternative accounting methods exist, those deemed most appropriate in the circumstances have been chosen. Financial statements are not precise, since they include certain amounts based on estimates and judgments. Such amounts have been determined on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, the administration has developed and maintains a system of internal control designed to provide reasonable assurance that the Students' Union assets are safeguarded from loss and that the accounting records are a reliable basis for the preparation of financial statements.

The Students' Council carries out its responsibility for review of the financial statements principally through its Audit Committee. This committee meets regularly with administration and with external auditors to discuss the results of audit examinations and financial reporting matters. The external auditors have full access to the Audit Committee with and without the presence of the administration. The Students' Council of the Students' Union, the University of Alberta has approved the financial statements.

The financial statements for the year ended April 30, 2011 have been audited and reported on by KPMG LLP whose report outlines the scope of their audit and presents their opinion on the financial statements.

## INDEPENDENT AUDITORS' REPORT

To the President and Members of the Students' Union and Students' Council, The University of Alberta

We have audited the accompanying consolidated financial statements of The Students' Union, The University of Alberta which comprise the statement of financial position as at April 30, 2011, the consolidated statements of operations, changes in fund balances-invested in capital assets, changes in fund balances-externally restricted funds, changes in fund balances-student involvement fund, changes in fund balances-unrestricted and internally restricted funds, cumulative unrealized gains (losses) on investments, and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of The Students' Union, The University of Alberta as at April 30, 2011, and its consolidated results of its operations and its consolidated cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

*Other Matter*

We draw attention to the fact that the supplementary information included in Schedules 1-13 does not form part of the audited consolidated financial statements. We have not audited this supplementary information and, accordingly, we do not express an opinion on this supplementary information.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEAR ENDED APRIL 30, 2011

**1. ACCOUNTING POLICIES**

a) Nature of Operations

The Students' Union, The University of Alberta ("the Students' Union") is incorporated under the Post Secondary Learning Act of Alberta. The Students' Union is tax exempt with respect to corporate income taxes under S.149(1)(h.1) of the Income Tax Act. According to the Post Secondary Learning Act, The Students' Union is to provide for the administration of the affairs of the students at the University of Alberta, including the development and management of student institutions, the development and enforcement of a system of student law and the promotion of the general welfare of students consistent with the purposes of the University of Alberta. As such, The Students' Union represents approximately 34,000 undergraduate, full-time, part-time and inter-session students at the University of Alberta. The mission of The Students' Union is to be an organization for students which represents students in an effective and accountable manner, provides programs and services that meet the needs of students, enhances the image of both the University of Alberta and its students in the greater community, provides opportunities for the interaction and personal development of students, and fosters a sense of spirit and community on campus.

b) Basis of presentation

The consolidated financial statements include the accounts of the Students' Union and the Students' Involvement Endowment Foundation, a controlled organization incorporated under the Societies Act of Alberta that is involved in the management of investments and the administration of student awards. All significant inter-organizational balances and transactions have been eliminated on consolidation.

c) Inventories

Merchandise inventories are valued at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Net realizable value is defined as selling price less cost to sell.

d) Capital Assets

Capital Assets are recorded at cost. Management provides for amortization using rates designed to amortize the cost of the capital assets over their useful lives. The annual amortization rates and methods are as follows:

Furniture and office equipment	20%	Declining Balance
Computer equipment	30%	Declining Balance
Leasehold improvements	20%	Declining Balance
Students' Union Building and improvements	50 years	Straight Line

Amortization is recognized as an expense in the statement of operations. Full amortization is recorded in the year of acquisition and none in the year of disposal. The art collection is not subject to amortization.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEAR ENDED APRIL 30, 2011

### 1. ACCOUNTING POLICIES (continued)

#### e) Revenue Recognition

The Students' Union follows the restricted fund method of accounting for contributions.

The restricted fund method of accounting for contributions is a specialized type of fund accounting that involves the reporting of details of financial statement elements by fund in such a way that the organization reports total general funds, one or more restricted funds, and an endowment fund, if applicable.

The following definitions relate to the restricted fund method of accounting for contributions:

- (i) A restricted fund is a self-balancing set of accounts the elements of which are restricted or relate to the use of restricted resources. Only restricted contributions and other externally restricted revenue are reported as revenue in a restricted fund. The Students' Union's restricted funds are comprised of its externally restricted funds and the Student Involvement Fund.
- (ii) A general fund is a self-balancing set of accounts which reports all unrestricted revenue and restricted contributions for which no corresponding restricted fund is presented. The fund balance represents net assets that are not subject to externally imposed restrictions. The Students' Union's general funds are comprised of its unrestricted and internally restricted funds.
- (iii) An endowment fund is a self-balancing set of accounts which reports the accumulation of endowment contributions. Only endowment contributions and investment income subject to restrictions stipulating that it be added to the principal amount of the endowment fund are reported as revenue of the endowment fund. The Students' Union does not have any endowment funds.

Restrictions are stipulations imposed that specify how resources must be used. Restrictions on contributions may only be externally imposed.

There are three types of contributions identified for purposes of these financial statements:

- (i) A restricted contribution is a contribution subject to externally imposed stipulations that specify the purpose for which the contributed asset is to be used.
- (ii) An endowment contribution is a type of restricted contribution subject to externally imposed stipulations specifying that the resources contributed be maintained permanently, although the constituent assets may change from time to time.
- (iii) An unrestricted contribution is a contribution that is neither a restricted contribution nor an endowment contribution.

THE STUDENTS' UNION, THE UNIVERSITY OF ALBERTA

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEAR ENDED APRIL 30, 2011

**1. ACCOUNTING POLICIES (continued)**

e) Revenue Recognition (continued)

Investment income is recognized as revenue when it is earned.

Other revenues from the sale of goods or provision of services are recognized as the goods or services are provided, when revenue amounts are fixed or reasonably determinable and ability to collect such amounts is reasonably assured.

f) Financial instruments and risk management

The Students' Union has classified its significant financial assets and financial liabilities as follows:

- Cash is classified as held for trading;
- Investments in fixed income securities are classified as held-to-maturity;
- Investments in University of Alberta Endowment Funds and mutual funds are classified as available for sale;
- Accounts receivable and accrued interest receivable are classified as loans and receivables; and
- Accounts payable and accrued liabilities and long-term debt are classified as other financial liabilities.

Transaction costs are recognized immediately in the statement of operations. The Students' Union does not use hedge accounting and accordingly is not impacted by the accounting requirements related to hedges. The Students' Union is a not-for-profit organization and has elected not to apply the accounting standards for embedded derivatives in non-financial contracts. Unless otherwise noted, the fair values of these instruments approximate their carrying values.

The Students' Union has elected not to adopt CICA Handbook Section 3862 "Financial Instruments – Disclosures" and Section 3863 "Financial Instruments – Presentation", and instead has continued to disclose its financial instruments under Section 3861 "Financial Instruments – Disclosure and Presentation."

The Students' Union has a risk management framework to monitor, evaluate and manage the principal risks assumed with its financial instruments. The risks that arise from transacting financial instruments include credit risk and price risk. Credit risk relates to the possibility that a loss may occur from the failure of another party to perform. Price risk arises from changes in interest rates and market prices.

Given the significance of the Students' Union's investments, it has significant exposure to market risks from changes in interest rates, market prices and currency changes. The Students' Union does not use derivative instruments to alter the effects of market, interest or foreign exchange fluctuations which affect its investments.

THE STUDENTS' UNION, THE UNIVERSITY OF ALBERTA

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEAR ENDED APRIL 30, 2011

**1. ACCOUNTING POLICIES (continued)**

**g) Capital management**

The Students' Union's objective when managing its capital is to safeguard its ability to continue as a going concern, so that it can continue to provide support to students.

The Students' Union sets the sufficiency of capital to maintain the service needs of students and makes adjustments to its capital, through appropriation of internally restricted amounts, additional borrowings, recommending changes to the level of fees or adjustments to its investment portfolio mix.

**h) Long lived assets**

Long lived assets are composed of capital assets. Long lived assets held for use are reviewed for impairment when certain events or changes in circumstances indicated that the carrying amount of an asset may not be recoverable. The recoverability test is performed using undiscounted future net cash flows that are directly associated with the asset's use and eventual disposition. The amount of the impairment, if any, is measured as the difference between the carrying value and fair value of the impaired assets and presented as an additional current period amortization charge.

During the year, no events occurred that caused management to review long-lived assets for impairment.

**i) Impairment and un-collectability of financial assets**

Management evaluates at each balance sheet date whether there is any objective evidence that held-to-maturity financial assets are impaired. Impairment is the condition that exists when the carrying amount of a financial asset exceeds its fair value and this impairment is considered to be other than temporary. When it is determined than an impairment of a financial instrument classified as available-for-sale is other than temporary, the cumulative loss that has been recognized directly in fund balances is removed and recognized in the Statement of Operations even though the financial asset has not been derecognized. Impairment losses recognized in the Statement of Operations for a financial instrument classified as available-for-sale are not subsequently reversed.

**j) Use of Estimates**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.
