Subject: Enterprise Rental | U of A Student Rentals

Good Morning U of A Team,

I wanted to touch base and introduce myself as I am the Account Manager overseeing Northern Alberta for Enterprise Holdings. I have been in touch with Chad Alexander on the Supply Management services team on rentals mainly for business use and wanted to reach out to the student union team.

In these times with COVID-19 having an impact on student life at U of A, Enterprise has made changes to our rental requirements as we know there are many students that will want to travel home and may not have the transportation to do so.

We have lowered the rental age as well as we will work with your students if a one way fee is needed. The account number **XVC5860** will be used as it is the U of A discount code which has the new rental requirements loaded in.

#### **Canada University Student Release**

- Available to University students 18 – 24 years of age.
- Offer valid at all corporate owned locations and participating franchisees in Canada.
- Rental must begin on or after 3/15/2020 and end on or before 5/31/2020. Offer expires 5/31/2020. There are no min/max days or blackout dates.
- Official Student ID must be presented at the time of rental.

- Offer does not apply to applicable taxes, fees, surcharges, refueling, drop-off, delivery, additional driver, pick up, or any optional product or service (such as optional damage waiver of \$50 or less per day), which are the responsibility of the Renter.
- This offer cannot be combined with any other discount or special rate and cannot be applied to a previous or existing reservation or rental.

If you have any questions please feel free to reach out
